

AfS-Rwanda Procurement Forms & Approval Workflow

Internal procurement control package

Workflow: Requesting staff prepares a purchase/service request with specifications → Accountant receives and records the request → at least two supplier quotations are collected → a three-person review committee evaluates the quotations (Requesting Staff + Director of Communications + PI) → selection is approved → purchase/service is authorized → goods/services and supplier invoice are verified → payment is approved and recorded.

Step	Control	Primary responsibility
1	Procurement Requisition	Requesting Staff → Accountant
2	Quotation Collection Register	Accountant / assigned procurement focal person
3	Quotation Evaluation & Recommendation	Requesting Staff + Director of Communications + PI
4	Purchase / Service Authorization	PI / authorized signatory, with Accountant control
